Dear Sir or Madam:

The product Smartphone (model number: C210, C210A1, FCC ID: 2AJZP-C210) uses baseband platform MSM8909 which can support LTE FDD/TDD, WCDMA, CDMA 1x, GSM, EDGE functions. For use in US marketing, only GSM/GPRS/EDGE (850&1900), WCDMA Band II/IV/V and LTE Band 2/4/12/17 are activated. Other bands are disabled by the manufacturer with software.

Sincerely,
