

Deako Inc.

Federal Communications Commission
Authorization and Evaluation Division
1435 Oakland Mills Road Columbia,
MD 21046

SUBJECT: Class II Permissive Charge for FCC ID: 2AK29-DS2005

The product: Smart Switch, has been granted by FCC dated 13/12/2020, FCC ID: 2AK29-DS2005. Now we, Deako Inc., would like to modify the authorized equipment for below changes:

- Add ferrite beads L5 to the Pin 3 of the Wi-Fi module
- The size of the bonding pad is increased
- The original package size of the L4 component is too large. The existing bonding pad package is changed to a smaller size, and the copper foil size of the PCB remains unchanged.

We would like to certify the additional of certified FCC ID: 2AK29-DS2005 as a Class II Permissive Change in this device.

Thank you for your attention in this matter.
