This device is made for industrial plants, installed and maintained by PaneraTech's own personnel. It is not available to the general public. The manufacturers and the PaneraTech enters into an NDA which allows PaneraTech personnel to enter the plant, and install and maintain the equipment. Above mentioned documents contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market. Additionally, the device is only serviceable by professional designated technicians under a Non-Disclosure Agreement (NDA), an exhibit of which is included here.

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.
