Attn: FCC Office of Engineering and Technology / UL Verification Services TCB

Subject: Request for Confidentiality

FCC ID: 2AK3W-RTS200G

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely.

- Schematic Diagram
- Block Diagram
- Theory of Operation
- Internal Photos

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. We are requesting confidentiality for internal photographs in accordance with KDB 726920 D01 as the internal circuitry is enclosed and is factory sealed using silicone and Loctite, all internal electronics will be protected from view. The device is intended for professional use by trained and authorized individuals, the device is not customer serviceable. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market. Additionally, the device is only serviceable by professional designated technicians under a Non-Disclosure Agreement (NDA), an exhibit of which is included here.

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Best Regards
