Subject: Compliance Statements in Industrial Transportation Vehicle Manual

Dear Sirs,

The Grantee declares, that their product with the above FCC ID is used solely inside industrial transportation vehicles. Consequently, its functional description will be included in the individual operating instructions of the vehicle.

The Grantee assures that following statements are included in a prominent location of the operational manual of the industrial transportation vehicle. Where this device is marketed to other parties, this requirement for the two statements will be addressed accordingly:

CFR 47, §15.21:

The title **"CAUTION TO USERS"** or **"NOTE"** or any adequate title together with **"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."**

and CFR 47, §15.19(a)(3):

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."

If you have any questions, please feel free to contact me.

Yours sincerely,
