Subject: Statement for Change in ID, FCC ID: 2AK6W-WT-3003

Pursuant to FCC 47 CFR 2.933 (b), the applicant would like to apply for a change in ID.

This module is authorized under FCC ID: 2AC7Z-ESPWROOM32 which is being changed to the Intel FCC ID: 2AK6W-WT-3003.

There is no change in the design, circuitry, or construction, and the original test results continue to be representative of and applicable to the equipment.

The only differences are its placement inside a plastic enclosure and change in model name to WT-3003. The additional testing for EMI and RF exposure has been completed and a Class II Permissive Change will be completed.

Please also refer to the attached signed permission letter from the original grantee Espressif, and photographs showing the exterior appearance of the equipment.

Sincerely,

A handwritten signature in black ink, appearing to read "Akiko Matsumura", written over a horizontal line.
