

# Smart Plug User Manual

## Product Schematic

### Features of smart Plug :

1. Controlled by mobile phones from anywhere at anytime
2. Free app hello fairy supports Android and iOS systems, simple to use
3. Timer for schedules setting
4. Wide voltage suitable for AC100~240V 50Hz/60Hz
5. Connection: Bluetooth.

### Specifications:

Rated power: 12.5W

Input voltage: AC100~240V 50Hz/60Hz

Power factor: >0.5

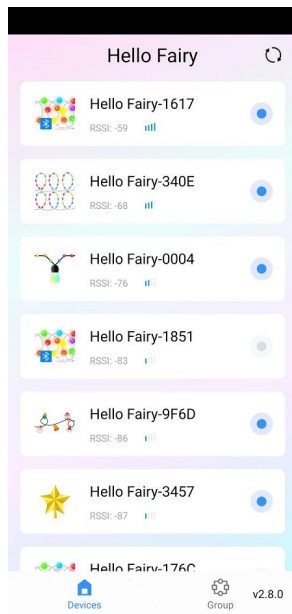

Connection: Bluetooth

Easy installation - There are 3 steps to start your smart life. Scan the QR code to download the APP, connect the Smart String Lights and use the APP to control the Smart String Lights changing of the color which is very interesting.

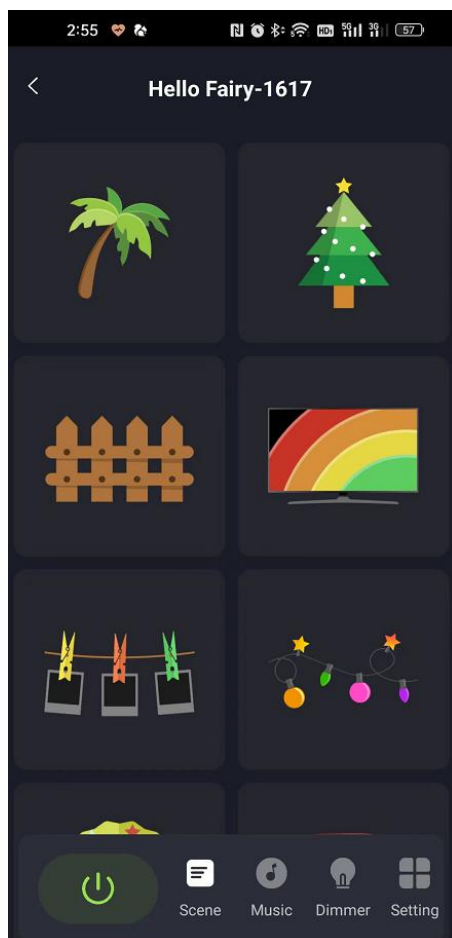

From iOS APP Store or google play download "Hello Fairy", scan the QR code and install the "Hello Fairy" for either iOS or Android.

1. Open the hello Fairy APP on the mobile phone and search for device "Hello Fairy-xxx".

2. After the device name is displayed on the interface, you can click "Hello fairy -xxx" to enter the main interface and start the operation.

## **FCC Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### **RF Exposure Information**

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
