**Subject:** TOBY-L200 and TOBY-L210 products Equality Declaration

To Whom It May Concern:

We, u-blox AG, declare that the module TOBY-L200 is electrically identical to the data module TOBY-L210 for the eFDD 5 part. The testing for eFDD5 was carried out on TOBY-L210. The product TOBY-L200 (FCC ID: XPYTOBYL200 / IC: 8595A-TOBYL200) shares the same components, software and all relevant parts compared to the TOBY-L210 (FCC ID: XPYTOBYL210 / IC: 8595A-TOBYL210). As such, LTE band eFDD5, has been leveraged from the product TOBY-L210. Internal spot checks were performed to ensure that the performance between the two products were within the tolerances states in the tune-up document. No differences were seen.

Therefore, we declare that the test report with the reference number MDE\_UBLOX\_1409\_FCCb (CFR 47 Part 22H / issued 2014-09-18) of the module TOBYL210 certified under FCC ID: XPYTOBYL210, also applies to our module TOBYL200 with the FCC ID: XPYTOBYL200, IC: 8595A-TOBYL200.

Giulio Comar, Certification Manager
