

RUFUS CUFF QUICK-START INSTRUCTIONS

01 CHECK IT OUT

Understanding Your Cuff	
a. USB 2.0	e. Microphone
b. LED Torch	f. Capacitive Touchscreen
c. Power Button	g. Front-facing Video Camera
d. Noise Cancelling Microphone	h. Premium Speaker

02 SIZE IT UP

First, place the Rufus Cuff face-down on a soft, flat surface. Next, fold the clasp-side band (long band) snugly around your wrist. Then , fold the other band (short band) on top. Be sure to note where the last row of triangluar holes of the top band meets on the clasp-side band below. This will be where you want your clasp to be place. A Pperfect fit jsut for you!

To adjust the clasp, push the band off the tewo pegs and move the clasp to the noted row of triangles and press the two pegs through. Wrap the clasp-side band around your writst and other band on top, push the top row of triangels around the two pegs to secure.

03 CHARGE IT UP

Connect Power Source into outlet located on the right side of the Rufus Cuff.

We recommend using only the provided power source and cable to charge your rufus cuff.

04 POWER ON

Press and hold the power button for about 5 seconds

FOLLOW THE ON-SCREEN PROMPTS TO GET STARTED!

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE

FCC Part 15.21 Warning Statement

The user manual for an intentional or unintentional radiator shall caution the user that changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment. NOTE: THE GRANTEE IS NOT RESPONSIBLE FOR ANY CHANGES OR MODIFICATIONS NOT EXPRESSLY APPROVED BY THE PARTY RESPONSIBLE FOR COMPLIANCE. SUCH MODIFICATIONS COULD VOID THE USER’S AUTHORITY TO OPERATE THE EQUIPMENT.

FCC Part 15.105(b) Warning Statement

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Radiofrequency radiation exposure Information:

For body worn operation, this device has been tested and meets FCC RF exposure guidelines when used with an accessory that contains no metal and that positions the device on the body’s wrist. Use of other accessories may not ensure compliance with FCC RF exposure guidelines. For best results, ensure the mouthpiece is at least 10mm from your mouth.

06 USER NOTIFICATIONS

This device complies with Industry Canada’s license-exempt RSSs. Operation is subject to the following two conditions: (1) This device may not cause interference; and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
