We, Silicon Laboratories Finland Oy, a corporation branch validly organized and existing under the laws of Finland, having its principal place of business at Alberga Business Park, Bertel Jungin aukio 3, 02600 Espoo, Finland,

in relation to our multiprotocol Zigbee and Bluetooth Low Energy wireless radio module having model name of MGM12P32GA, as the manufacturers hereby **declare** to have applied for, and to have obtained a Federal Communications Commission (FCC) grant with **FCC ID: QOQMGM12P3** and with original issue date of August 01, 2017, and with this letter we **grant permission** on a one-time basis to the following company:

Cooper Lighting LLC [hereafter referred to as the New Grantee]
Full address: 1121 Highway 74 South, Peachtree City, GA, USA, 30269

to apply for a "Change in Identification" with FCC.

We understand that the New Grantee is requesting the authorization to make this change in order to comply with the FCC regulations that apply to their product, identified as follows:

Model Name: Wavelinx Wireless Controller G2 / Part Number: WAC2-POE

thus, we authorize FCC to use information on file to grant the requested "Change in Identification".

We confirm we will be supplying our MGM12P32GA to the New Grantee unmodified and equivalent (electronically and electrically) to the originally certified equipment. The original test results continue to be representative of, and applicable to the equipment bearing the changed identification. The original grant will remain in effect nevertheless.

Conversely, we emphasize to have no control or responsibility with regards to the proper installation and use of our modules in the products manufactured and sold by the New Grantee. As a result, the New Grantee take ownership and accountability for the compliance of their products, including any appropriate labelling to take into account the new identification, and commit to submit in their application all the intended documentation, including but not limited to exterior photographs and product's user manual.
