

04/11/2019

To whom it may concern,

This letter grants authorization to Eaton Corporation Plc through 10/1/2019 to apply for a FCC change in identification as specified under 47CFR 2.933 of the FCC rules. This authorization applies to MultiTech Systems FCC ID AU792U13A16854 grant dated 1/20/2014 and permits use of AU792U13A16854 test results. The original certification for FCC ID AU792U13A16854 will remain valid. Eaton will be marketing the product under FCC ID: 2AKCYLMSWFG.

Sincerely,

Tim Gunn
Director of Product Support / Certifications
MultiTech Systems
