GET STARTED

1. Download the "Mondo by Defunc" app where you find your apps (App Store & Google Play). Add your device and choose equalizer settings by using our presets or creating your own personalized setting. You can use your Mondo over-ear dual driver head phones without the "Mondo by Defunc" app and enjoy our products with the default audio settings to fit all music genres.
2. Make sure the head phones are fully charged. Do this by charging the head phones until the light is shining in a constant white light.
3. Press the control button for 5 seconds to pair the head phones to your device.

4. When white lights flash alternately, the head phones are ready to pair with your device.
5. Turn on the Bluetooth function on your device. Select "Mondo over-ear" in the Bluetooth list to pair the head phones with the device.
6. When the white light turns on the head phones are paired.
7. The head phones will automatically pair with a previously connected device when pressing the control button for 5 seconds.

8. Always use the USB-C charging cable to charge your head phones, but also note that you can use the head phones for listening using the 3.5 mm audio cable, even when not connected to Bluetooth.

POWER ON

Press the control button on your head phones for 5 seconds until you hear the on-sound or the white light turns on.

POWER OFF

Press the control button for 3 second until you hear the off-sound or see the white light turning off. Auto-power off will be activated after 5-6 minutes without a connected device.

"Mondo by Defunc" APP

First make sure you have completed the Bluetooth connection in the "GET STARTED" section.

1. Open the "Mondo by Defunc" app and tap "Add Device" or the + sign in the top right corner.
2. Make sure your Mondo head phones is turned on and you should be able to see the Mondo over-ear product.
3. If the device does not show automatically, tap "AUTO SCAN" and add the Mondo over-ear head phones there.
4. Tap Done in the top right corner. Now you can start using the app and it's functions such as Equalization, Remote control, Countdown, Find, ETC.

WARNING!

- Do not attempt to repair the head phones. A faulty repair may lead to fire, electronic breakdown or a damaged product.
- Do not use the head phones in an environment where the temperature is below 0°C or above 45°C.
- Avoid using a device indicator light near the eyes of children and animals.
- Do not use the head phones in thunderstorm weather to avoid abnormal head phone behavior and the risk of shock.
- Do not wipe the head phones with oil or other volatile liquids.
- Do not wet the head phones.

ONE YEAR WARRANTY

All Defunc products are designed and manufactured with your high expectations and best customer experience in mind. We are devoted in providing the best quality and modern technology. However, as most people realise, electronic products sometimes do have technical difficulties, and sometimes it is due to a manufacturing defect. This is why we offer a one (1) full year replacement warranty, from purchase date, against manufacturer defects on each pair of head phones we sell. Defunc (The Art of Utility AB) hereby warrants that, under normal use, this product will be free from defects in materials and workmanship for a period of one (1) year from the date of original retail purchase. The replacement warranty is valid only if the original proof of purchase issued to the purchaser, specifying the date of purchase, is presented with the product to be replaced.

How does it work? If you believe this product is defective within the warranty period, carefully repack the unit and return the product to your authorised dealer, with the original proof of purchase. Your authorised dealer will replace the product in case a defect in manufacture or

workmanship is identified. In case your authorised dealer does not have the corresponding product or colour in stock, Defunc will promptly provide you with a new product.

This limited replacement warranty does not apply in cases of abuse or misuse of the product, use contrary to Defunc instructions, ordinary wear and tear, incorrect connection, force majeure or unauthorised repair. Any lawsuit for breach of this limited warranty shall be commenced, if at all, within one (1) year of the date that the claim accrues. Defunc shall not be liable for special, indirect, incidental or consequential damages resulting from the use or inability to use this product, regardless of the legal theory on which the claim is based. This warranty gives you specific legal rights, and you may have other rights, which vary from country to country. This warranty does not restrict the rights of the consumer mandated under applicable laws.

This product shall not be treated as household waste. Instead it shall be handed over to the applicable collection point for the recycling of electrical and electronic equipment.

This product was produced after October 1, 2022.

The limited premium replacement warranty is valid only if the original proof of purchase issued to the purchaser, specifying the date of purchase, is presented with the product to be replaced.

COMPLIANCE WITH FCC REGULATIONS

Caution! The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference

to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment on and off, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

THE SPECIFICATION AND EXTERNAL APPEARANCE OF THE HEAD PHONES MAY BE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

If at any time in future you should need to dispose of this product, please note that waste electrical products should not be disposed of household waste. Please recycle where facility exist. Check with your local authority or retailer for recycling advice

EU DECLARATION OF CONFORMITY

Design by a star AB hereby declares that Mondo over-ear dual driver head phones complies with Directive 2014/53/EU. The full text of the EU Declaration of Conformity is available on defunc.com/documents.
