Cognoscos, Inc. has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

**Permanent (Long Term) Confidentiality:**

The applicant requests the exhibits identified above be permanently withheld from public review/access due to materials that contain trade secrets and proprietary information not customarily released to the public.

**NOTE for ISED:**

The applicant wishes to hold exhibits as **long-term** and not short-term and has not requested for short-term. Please proceed with the certification of the subject product.

Sincerely,

By:
