Solder Board-Component View 6	 A photograph of a small electronic component, likely a module, placed on a blue textured surface. The component is rectangular with a black PCB and various components. It is positioned next to a black ruler with white markings. The ruler has two scales: one in millimeters (0 to 100) and one in centimeters (0 to 10). The component is oriented vertically, with its longer side parallel to the ruler's 0-100 mm scale.
Antenna View	 BT/Zigbee/Thread Ant. A photograph of the same electronic component, oriented horizontally, showing its antenna side. A red rectangular box highlights a specific area on the component, and a red line points from this box to a text label "BT/Zigbee/Thread Ant." located below the image. The component is placed on a blue textured surface next to a black ruler with white markings, similar to the first image.
