Solder Board-Component View 6	 A photograph of a small electronic component, likely a module, placed on a blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The component is rectangular with various soldered components and a small antenna structure on the left side.
Antenna View	 BT/Zigbee/Thread Ant. A photograph of the same electronic component as in the first view, but with a red rectangular box highlighting the antenna structure on the left side. A red line points from the text "BT/Zigbee/Thread Ant." in a red-bordered box below the image to the highlighted antenna structure. The ruler and background are the same as in the first view.
