Dear Sir or Madam:

The S1500 series products of MS Magnet Solutions are WCDMA SmallCell. The software installed in the product PiXcell Smallcell Wi-Fi Router, model: S1500 W4, FCC ID: 2AKJA-S1500W4 was developed by our company, and HSDPA as well as HSUPA functions were not been implemented. The S1500 series products cannot support HSDPA, HSUPA function.

Best Regards,

Sincerely,  
  
Signature  
\* Andreas Koutsos

Director
