## **Professional Installation Declaration**

2022-03-22

Dear Sir/Madam,

We, Woxu Wireless Co.,Ltd. have a product named as UWB Gateway (Model:UG-230, FCCID: 2AKVA-UG230) for marketing, this device cannot be sold to retail, to general public, or by mail order. It must be sold to dealers. Installation must be controlled, Non-professional installers are not allowed to remove or install antennas, the device will be marketed and sold as an indoor only device. The intended use is generally not the general public., etc.

The device meets FCC§15.517(a) – GENERAL REQUIREMENT

- (1) The EUT was used only indoors, it was powered by the DC port from the adapter which connects indirectly to the AC power line, please refer to the test setup photos and details in the user manual.
- (2) The EUT was never used outdoors, only used in large crane warehouses. It was showed in the user manual.
- (3) The EUT is already equipped with one antenna, which is not outdoor mounted antenna, please refer to the EUT photos.
- (4) The EUT is not a field disturbance sensor.
- (5) The EUT send a message to the receiver only when the associated receiver is turned on; The EUT will not send messages when the associated receiver is turned off.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely Yours,

Signature
