Columbia MD 21046

Request for Change of FCC ID acc. to Sections 2.1033

To whom it may concern:

Based on Aruba Network Inc.'s related permission (see attached permission letter) we herewith apply to re-list their equipment as originally FCC certified(\*) under FCC-ID: Q9DAPIN0303, Grant date: 2018-2-12 and 2018-03-8, Grant issued by the TCB of UL Verification Services Inc. under our name Astronics CSC and with the FCC-ID: 2AL4H-E7131901.

The equipment is re-listed as above(\*) without applying any modifications to its design, circuitry or construction, and the original test results continue to be representative of and applicable to the equipment.

(\*) Approval under Astronics CSC will NOT be as a Software Defined Radio as in the original approval under Aruba.

A C2PC procedure according to Section 2.1043 will be filed subsequent to approval of this FCC-ID change application which will then contain detail modification documentation.

Sincerely Yours,

James Costello  
Chief Technical Officer
