Regarding FCC Country Code Selection guidelines identified in KDB 594280.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

Name: Fang Qiang

Date: September 18, 2023

Title: Manager

Signature of applicant:

A handwritten signature in blue ink that reads "Fang Qiang". The signature is written in a cursive style and is placed on a light blue rectangular background.
