Subject: Testing Attestation Statement

To whom it may concern

This is to testify that the products CBM-002A, FCC ID: 2ALA3-CBM002A and CBM-002B, FCC ID: 2ALA3-CBM002B are identical in every respect except for the antenna and the component values in the antenna matching circuit.

Full testing is carried out on the CMB-002B with only radiated emission testing being performed on the CMB-002A.

Yours faithfully,

Kai Tötterman
Director of Hardware Design
Casambi Technologies Oy
