Subject: Class II Permissive Change request for FCC ID: 2ALBX-CAMWFCTIR01

Airgas USA, LLC requests a Class II Permissive Change for the module with the FCC ID: Z64-CC3200MODR1.

The module differs from the original grant in that the antenna was changed from a Taiyo Yuden 2.4GHz Multilayer RadiEdge antenna (MN: AH 316M245001) to a Tekfun swivel rubber dipole antenna with SMA connector, (MN: M04-SR).

Sincerely,

By: *Rob Shock*
