

CONNECTING TO WI-FI® AND BLUETOOTH® WIRELESS TECHNOLOGY

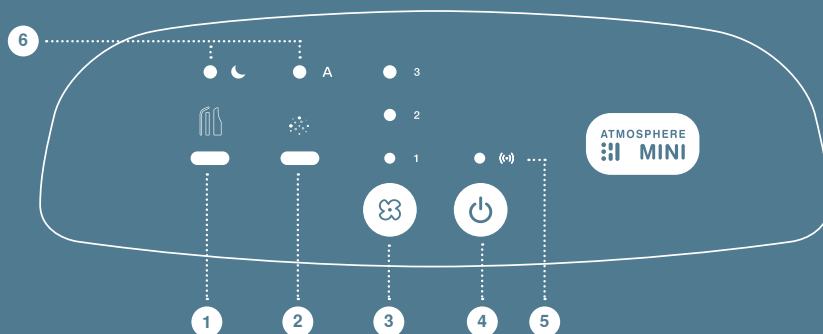

The app, Atmosphere™ Connect, works like a remote control for the unit. Download the free app to your smart phone or mobile device and use it when you're at home or away to:

- » Adjust the settings
- » Monitor the status of the filter
- » Check room's air quality

Atmosphere™ Connect is available through the Google Play® store or the App Store®.

DISPLAY PANEL

1. Filter Replacement Indicator

- » Green - Filter life is good
- » Yellow - Replace filter soon
- » Red - Replace filter now

2. Particle Sensor Reading

- » Green - Good
- » Yellow - Moderate
- » Red - Poor

3. Fan Speed – 1, 2, 3

4. Power Button

- » Press and hold for 3 seconds to disconnect Wi-Fi / Bluetooth
- » Press and hold for 10 seconds to clear Wi-Fi network settings

5. Connectivity Indicator

- » Blinking Blue - available for connection
- » Solid Blue - Bluetooth is connected
- » Blinking White - Wi-Fi connectivity in-process
- » Solid White - Wi-Fi connected

6. Settings:

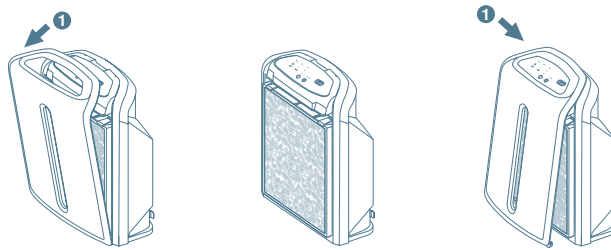

- » Night - Fan speed minimized; display lights off
- » Auto - Fan speed varies, based on air quality
- » Activate Night and Auto settings with the Fan Speed control button

Maintenance

Your **Atmosphere Mini™** Air Treatment System should be cleaned and maintained regularly for optimum performance.

As Needed

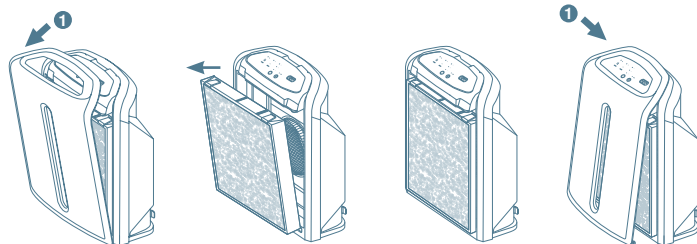

Wipe the housing exterior with a damp cloth and dry. If very dirty, use a mild detergent, such as L.O.C.™ Multi-Purpose Cleaner. **Do not use cleaners containing ammonia, alcohol, or paint thinner. These cleaners will damage the surface.**

Cleaning the Pre-Filter

To maintain maximum system air flow, remove excess dust build up from the prefilter using the following instructions.

1. Power off and unplug the unit.
2. Remove the front cover of the unit by placing your fingertips under the uppermost edge of the front shield, gently pull up on the shield to disengage (should hear snap) then pull the shield away from the front of the unit.
3. Remove accumulated dust from the Pre-Filter stage (front of filter) with a vacuum cleaner or dry brush/cloth. **Do NOT clean with water or any liquid.**
4. Replace the front shield by positioning the shield over the display and let it gently fall into place engaging the magnets on the bottom of the shield. Then gently push until you hear a soft snap at the middle of the shield at the uppermost edge of the display.
5. Plug in your unit and power on.

Replacing the Filter

1. Power off and unplug the unit.
2. Remove the front cover of the unit by placing your fingertips under the uppermost edge of the front shield, gently pull up on the shield to disengage (should hear snap) then pull the shield towards the front of the unit.
3. Remove the old filter and dispose of per local regulations.
4. Remove your new filter from the packaging.
5. Install your new filter into your unit.
6. Replace the front shield by positioning the shield over the display and let it gently fall into place engaging the magnets on the bottom of the shield. Then gently push until you hear a soft snap at the middle of the shield at the upper most edge of the display.
7. Plug in your unit on power on.
8. The filter monitor light will automatically change from red to green.

Customer Service:

Please read this manual carefully. If you have questions concerning the installation or operation of your Atmosphere Mini™ Air Treatment System or to order replacement parts, please contact Customer Service or via the Internet at: amway.com/shopatmosphere.

US – 1-800-253-6500, Customer.service@amway.com

Go to Amway.com for your return form and additional return information such as how

to's, tracking information, and processing fees. Track your return with an Amway return label at: returncenter.smartlabel.com/amway. For all returns, Amway Independent Business Owners are charged a processing fee per invoice. Any merchandise returned due to errors or damages upon delivery will not incur a processing fee. We are not liable for return merchandise that doesn't not reach our returns facility.

FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be

determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- » Reorient or relocate the module/product.
- » Increase the separation between the equipment and module/product.
- » Consult the dealer or an experienced radio/TV technician for help.
- » Changes and modifications made to the equipment without the approval of manufacturer could void the user's authority to operate this equipment.
- » To comply with FCC RF exposure limits set forth for an uncontrolled environment, the equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body.

Limited Warranty

WHAT DOES THIS LIMITED WARRANTY COVER?

This Limited Warranty applies only to the original retail purchaser of a new Atmosphere Mini™ Air Treatment System (sometimes called, the “Unit”). This Limited Warranty is not transferable and applies only to the Original Retail Purchaser. Amway Corp. (“Amway”) warrants to the Original Retail Purchaser that the Unit (except for the filters) will not prove defective under normal use for two (2) years from the date the Original Retail Purchaser purchases the Unit. A Unit will be considered “defective” if it is defective in materials or workmanship, and if that defect materially impairs the performance or value of the Unit to the Original Retail Purchaser.

Within 90 days of the purchase of your unit, you must register the unit following the instructions in the mobile app. If registration is completed within this 90 day period an additional 90 days will be added to the 2 year warranty coverage.

WHAT DOES THIS LIMITED WARRANTY NOT COVER?

This Limited Warranty does not cover:

- A. Any Unit that has been subjected to any use that is different than or inconsistent with the use instructions in this Owner’s Guide.
- B. Any Unit that has been subjected to any abuse, accident, physical damage, improper installation or application, alteration, neglect, improper temperature, humidity or other environmental conditions (including, but not limited to, lightning, flood or fire).
- C. Any Unit that has been improperly repaired, improperly modified, improperly altered or improperly maintained by anyone other than an authorized service warranty representative of Amway
- D. Any defect or diminished performance that is caused by the use of any part or accessory that is not compatible with the Unit.

HOW WILL THE USE OF NON-AUTHORIZED PARTS OR ACCESSORIES AFFECT THE PERFORMANCE OF THE UNIT?

Performance claims relating to the Atmosphere Mini™ Air Treatment System were developed through testing of the complete Unit as designed by the manufacturer and require operation of the Unit as recommended by the manufacturer. The use of replacement parts or accessory attachments not recommended by the manufacturer may result in diminished

performance. Amway does not warrant the performance of any non-Atmosphere Mini™ Air Treatment System parts or accessories not authorized by Amway or the manufacturer for use with the Unit, and Amway is not responsible for any damage caused by or resulting from the use of any non-authorized parts or accessories.

WHAT WILL AMWAY DO IF YOUR UNIT IS DEFECTIVE?

If any Unit is defective during the Limited Warranty Period then, subject to timely notification of the claimed defect, Amway will, at its option, either repair or replace the defective Unit at its expense.

HOW AND WHEN MUST YOU MAKE A CLAIM UNDER THIS LIMITED WARRANTY?

For service during the Limited Warranty Period, please contact Amway for shipping and handling instructions BEFORE returning your Unit:

FOR THE U.S.: 1-800-253-6500 Monday – Friday, 8 am to midnight EST, and Saturday, 8:30 am to 5 pm EST. customer.service@amway.com

If you are instructed to return the Unit to Amway, you must include a copy of your sales receipt or other proof of purchase and a brief description of the product issue.

Upon receipt of the Unit, Amway will determine, in its reasonable discretion, whether the Unit is defective. By accepting a returned Unit for inspection, Amway does not concede that the returned Unit is defective. Amway will bear the expense of shipping, both ways, with respect to the repair or replacement of any defective Unit within the Limited Warranty Period. If Amway determines that the Unit is not defective, it will be returned to the Original Purchaser at Amway’s expense.

OTHER IMPORTANT LIMITATIONS

If Amway fails to repair or replace any defective Unit within a reasonable time, its liability under this Limited Warranty will in no event exceed the purchase price of the defective Unit. Except as provided under Federal, State or Provincial laws, no person is authorized to or may modify or expand this Limited Warranty, waive any of the conditions or limitations of this Limited Warranty, or make any different or additional warranties with respect to the Unit, and no such modifications, expansions, waivers, or different or additional warranties shall be effective unless made in writing and signed by an authorized officer of Amway.

Except as provided under Federal, State or Provincial laws, this Limited Warranty sets forth the Original Retail Purchaser's sole and exclusive remedies for any defect in the Unit, and **THE WARRANTIES STATED IN THIS LIMITED WARRANTY ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, EXCEPT FOR THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND ANY OTHER NON-DISCLAIMABLE WARRANTY IMPOSED BY FEDERAL, STATE OR PROVINCIAL LAW. NO SUCH NON-DISCLAIMABLE WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTY OR CONDITION OF MERCHANTABILITY AND THE WARRANTY OR CONDITION OF FITNESS FOR A PARTICULAR PURPOSE, SHALL EXCEED THE DURATION OF THE LIMITED WARRANTY PERIOD OF THIS LIMITED WARRANTY.**

Some states or provinces do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This Limited Warranty gives you specific legal rights, and you may also have other rights, which vary from state to state or province to province. The laws of some jurisdictions do not permit the exclusion or limitation of certain rights or remedies. As this Limited Warranty is subject to those laws, some of the limitations or restrictions contained in this Limited Warranty may not apply to you. The provisions of this Limited Warranty are in addition to and not a modification of or subtraction from the statutory warranties contained in state or provincial laws.

AMWAY SHALL HAVE NO LIABILITY TO THE ORIGINAL RETAIL PURCHASER OR ANY OTHER PERSON FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, INDIRECT, OR PUNITIVE

DAMAGES ARISING FROM ANY DEFECT AND BASED ON A BREACH OF THIS LIMITED WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT TORT OR ANY OTHER LEGAL THEORY. IN PARTICULAR, AND WITHOUT LIMITATION, AMWAY SHALL NOT BE LIABLE FOR PERSONAL INJURY OR DEATH, PROPERTY DAMAGE, LOST PROFITS, OR OTHER ECONOMIC INJURY, NOR LIABLE FOR ANY CLAIM BASED ON ALLEGED NEGLIGENT DESIGN OR MANUFACTURE OF ANY GOODS, OR THE OMIS-SION OF ANY WARNING WITH RESPECT THERETO. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This Limited Warranty is applicable in the United States and Canada.

EXTENDING YOUR UNIT'S PROTECTION

Amway is proud to offer additional support for your Atmosphere Mini™ Air Treatment System. Every time you purchase an Atmosphere™ branded replacement filter (or combination of replacement filters) for your Unit,* Amway will provide a service contract adding an additional 365 days of protection for the Unit on terms similar to the original Limited Warranty. The additional 365 days of coverage commence on the date of filter installation and registration. You can take advantage of this offer for up to 3 additional years of protection in addition to the 2 years of coverage provided with activation and registration of your Unit after purchasing.

* Purchase must be made within 90 days of expiration of initial Limited Warranty. Certain other terms and conditions apply. For more information, visit www.Amway.com or contact your Amway Independent Business Owner.

SATISFACTION GUARANTEE

We stand behind the quality of our products and guarantee your satisfaction. If for any reason you are not completely satisfied with your purchase, you may return it within 120 days of purchase for an exchange or refund of the product price and applicable tax. Other restrictions and fees may apply. For more information, visit www.amway.com and search Satisfaction Guarantee.
