Charging

● = Charging
○ (Off) = Charged

Input:
DC 5V 1A MAX

●●●●● = Charging
●●●●● = Charged

Powering On/ Bluetooth Pairing

Powering On: Press & hold both power buttons simultaneously for 2-3 seconds. (When the earbuds are not in the charging box, they will power on automatically.)

Pairing: Once powered on, LED indicator lights will alternately flash red and blue. After approximately 1-2 seconds, the lights will flash blue slowly, indicating both earbuds are paired together. (If both earbuds do not pair together after 10 seconds, tap the power button on either earphone to force them to pair.)

Bluetooth Pairing: Check your phone's Bluetooth settings menu. Make sure that Bluetooth is turned ON. Connect with the device listed as TWS Sport Earbuds.

Controlling Your Earphones

One Click: Play/Pause/Answer Incoming Call/End Call
Two Rapid Clicks: Activate Siri/Google Voice Assistants
Hold 2-3 Seconds: Reject an Incoming Call
Hold 3-4 Seconds: Power Off (When Not Receiving a Call)

FCC Statement

FCC ID: 2ALCFX0-9899-1

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

BATTERY WARNING:
 --The device is equipped with an integrated lithium battery. The battery cannot be replaced. Do not attempt to remove the battery from the device.
 --Do not dispose of in fire or expose to excessive heat.
 --Do not crush, puncture, incinerate, or short circuit external contacts.
 --Please recycle or dispose of the battery properly. Contact your local recycling facilities and/or the manufacturer for further information.
