

Actioncam User Interface RFID Unit – 000443

Confirmation of Agreement to Carry Out LCD Bezel Grounding

2 July 2020

To whom it may concern,

Eccel Technology Ltd agrees to make the LCD bezel grounding required and carried out in the approval tests (see report 06-12244-1-20) to ensure that the unit meets the FCC emissions levels required and achieved in the tests carried out by RN Electronics.

Yours faithfully,

D. J.  Turner
