

## Specifications

**Name:** Mi Mini Robot Builder

**Model:** ZNM01IQI

**Materials:** ABS, PC

**Number of pieces:** 300+

**Weight:** 500g

**Dimensions:** 270 x 180 x 55 mm

**Age:** 6 years+

**Battery:** Li-polymer

FCC ID:2ALJ6-ZNM01

**Input voltage:** 5V/1.0A

**Input:** 5V/1.0A

**Wireless connectivity:** Bluetooth 4.0

**BLE operating frequency:** 2402MHz-2480MHz

Read this manual carefully before use, and retain it for future reference.

**Principal:** Xiaomi Communications Co., Ltd.

**Manufacturer:** Beijing AIQI Technology Co., Ltd.  
(a Mi Ecosystem Company)

**Address:** Room 1203, Block D, Jinyu Jiahua Mansion, No.9 Shangdi 3rd  
Street, Haidian District, Beijing, China

## FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Attention that changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## Precaution

- Do not disassemble the controller and the motor.
- Do not expose the product to sunlight, fire, heat or environments where temperature is above 60°C (140°F).
- Do not short circuit the product in any way.
- Do not crush, puncture or strike the product.
- Children under 10 years old must be accompanied by adults while playing the product.
- Children under 3 years old must not use the product, as it contains small parts that can cause suffocation.
- During charging, the battery must be placed in a well-ventilated area.
