Re: Request for confidentiality

Applicant: Reach Robotics Limited

FCC ID: 2ALOYAB

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Reach Robotics Limited to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Rationale for request for confidentiality:

Reach robotics Limited has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Some internal aspects of the product are still awaiting patent application or filing are therefore particularly sensitive.

If you have questions or need further information, please contact the undersigned.

Sincerely,

John Rees

Co-founder and COO
