Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Owl Labs Inc
FCC ID: 2ALXJ-MTW100

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by Owl Labs Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block diagrams**

Short-term Confidentiality

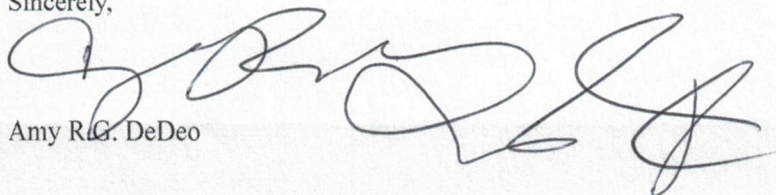

Request is hereby submitted by Owl Labs to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of Authorization:

- Detailed Operational/Functional Description
- Test setup photos
- External/Internal photos

Rationale for request for confidentiality:

Owl Labs Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

Sincerely,

Amy R.G. DeDeo

This request for confidentiality is made pursuant to 47 CFR 1.457(b) and 1.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential:

- Detailed Block diagram
- Schematics

Request for Confidentiality

Request for Confidentiality submitted by Owl Labs Inc. to withhold from public review for a period of 180 days from the date of the grant of equipment authorization and prior to making certain portions of the application for equipment authorization for the referenced FCC identifier. This request for confidentiality is made pursuant to 47 CFR 1.457(b) and 1.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of authorization:

- Detailed (physical) network description
- Test setup photos
- Implementation photos

Request for Confidentiality

Owl Labs Inc. has favored confidentiality time and manner in which it and its equipment to produce the referenced product. Disclosure of the necessary confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products but would also disclose successful implementation of sophisticated, leading edge technology developed by Owl Labs Inc. of the confidential portions of this application during the period of preparation and/or distribution would reveal key aspects of proprietary technology to competitors and thereby the value of Owl Labs Inc. investment in research and development.

Sincerely,

Amy K. Fisher
