## Request for Class II Permissive Change

FCC ID: 2ALZM-U696CL

Date: 2023-03-14

Dear Sir/Madam,

Subject: FCC Class permission change for FCC ID: 2ALZM-U696CL

Original Grant Date: 08/17/2021

This project is a CIIPC submission to our product: Smart phone, model: U696CL, the device is identical to the previous certified except for the changes as below:

Hardware version1	The bt/wifi/main Antenna spec is same , but change shape, antenna trace (Optimize antenna performance without any change in antenna gain and directivity)  There are no changes to the components and paths of the telephone receiver,
-------------------	--

The test plan reference is as follows:

Case	Remark
Part 22/24/27/90	Check all band Max bandwidth power and RSE worse mode
Part 15B	Check RE/CE worst mode
Part 15C	Check BT/WiFi 2.4G worse mode
Part 2.1093	Check all band worst mode
Part 20	RF-Emission Full test T-Coil : The change has no impact on T-Coil

Thank you.

Sincerely.
