**Subject:** FCC Model Differences Cover Letter

Attn:  
FCC Office of Engineering  
and Technology / UL  
Verification Services TCB

**Applicant:** Magic Leap Inc.

**FCC ID:** 2AM5N-ML2M2

**Model #:** M2003000, M2004000, M2005000, M2103000, M2104000, M2105000

**Product Description:** Magic Leap 2 Controller is an optical handheld operated input device with BLE radio transceiver.

To Whom it May Concern:

This letter is to clarify the Model differences for the following Magic Leap 2 Controller models:

Tested Model	Models Listed	Remarks
M2003000	M2003000, M2004000, M2005000, M2103000, M2104000, M2105000	1. Label changes to include marking for additional regions and different markets. 2. The radio transmitter for these models remains the same as the tested model M2003000.

The Models listed above meet FCC requirements for which the Model M2003000 was tested. Supporting documents are attached to the application.

If you have any questions regarding this request for certification, please feel free to contact me.

Best Regards
