RE: CONFIDENTIALITY REQUEST FOR FCC ID - 2AMDULDS

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following documents required to be submitted with this application be permanently withheld from public review.

- Block Diagram
- Schematics
- Theory of Operation
- Parts List

These documents contain detailed system and equipment descriptions and related information about the product, which we consider to be proprietary, confidential, and a custom design and otherwise, would not release it to the general public. Since this design is a basis from which future technological products will evolve, we feel that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in blue ink that reads "Scott Pallais".
