## Waterproofness :

The Festina SwissConnect supports a pressure of 5 ATM.

Attention: this watch should not be used for diving.

## Battery Information :

This electronic product contains a rechargeable battery (coin cell battery).

Do not ingest battery, Chemical Burn Hazard.

If the battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death.

Keep away new and used batteries from children.

If the battery compartment does not close securely, stop using the product and keep away from children.

If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

A rechargeable battery has a long service life if treated properly.

Do not expose the battery to extreme temperatures. For maximum battery capacity, use the battery at room temperature. If the battery is used in low temperatures, the battery capacity will be reduced.

Do not try to open the watch – any operation related to the movement must be performed by a watchmaker. It includes changing the battery.

If the watch does not properly close, stop using the product.

If the watch starts heating during normal usage, stop using the product.

## Recycling Information :

**This electronic product must not be disposed of in municipal waste. To preserve the environment, this product must be recycled after its useful life as required by law.**

Use recycling facilities that are authorized to collect this type of waste in your area. In doing so, you will help to conserve natural resources and improve standards of environmental protection.

For information about safe and correct disposal methods, please contact your local city office or waste disposal office, or the establishment where you purchased this product.

## Technical specifications :

## Certifications :

### USA / Canada :

#### ***Radiofrequency radiation exposure Information:***

For body worn operation, this watch has been tested and meets the FCC RF exposure guidelines when used with the (manufacturer name) accessories supplied or designated for this product. Use of other accessories may not ensure compliance with FCC RF exposure guidelines.

#### ***Compliance information :***

This device complies with Part 15 of the FCC Rules and RSS-247.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes:

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

***FCC Interference Statement :***

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

***NOTICE:***

Changes or modifications made to this equipment not expressly approved by Festina may void the FCC authorization to operate this equipment.
