28 October 2021

Subject: Requesting Class II permissive change for
FCC ID: 2AMHM-P2-6E-WIFI

To Whom It May Concern:

We, Robert Bosch Engineering and Business Solutions Private Limited hereby declare that the intention of this Class II Permissive Change is to add a host: Phantom EDGE (Model: AD00 A2 0044 6YE / Brand: BOSCH) to the certified module which was originally granted on 09/30/2021 under FCC ID: 2AMHM-P2-6E-WIFI.

The modules mentioned above have been approved and are electronically and mechanically identical to the original instructions and requirements.

Therefore, we,

Robert Bosch Engineering and Business Solutions Private Limited., take the responsibility to ensure each module complied with all requirements after integration in the host and when modules are transmitting simultaneously. Software security remains unchanged from the original filing. The unused WiFi a/ac mode is disabled by commands from application software to module.

Please contact me if you have any questions or need further information regarding this application.

Best Regards
