

Label Location Justification Letter

Subject: Label location request for FCC ID: 2AMIN-TW100ZM

Dear Sir or Madam,

For the product with FCC ID above, the certificate label including FCC ID number are not affixed on the product itself due to below reasons.

It will be placed into human's ears when used. Physical label will bring discomfort to users.

Also, it's hard to print FCC ID on surface of earphone due to its too small size and curved appearance.

To validate the grant of equipment authorization, the FCC ID will be included in user manual. It is readily viewable at all times for users.

Thank you in advanced!

Best regards.
