

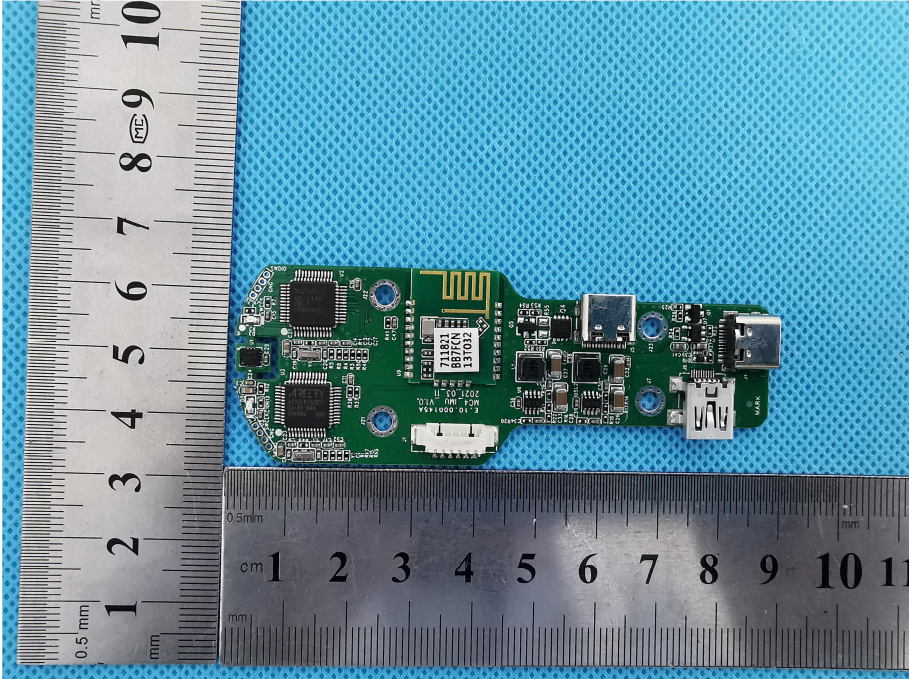

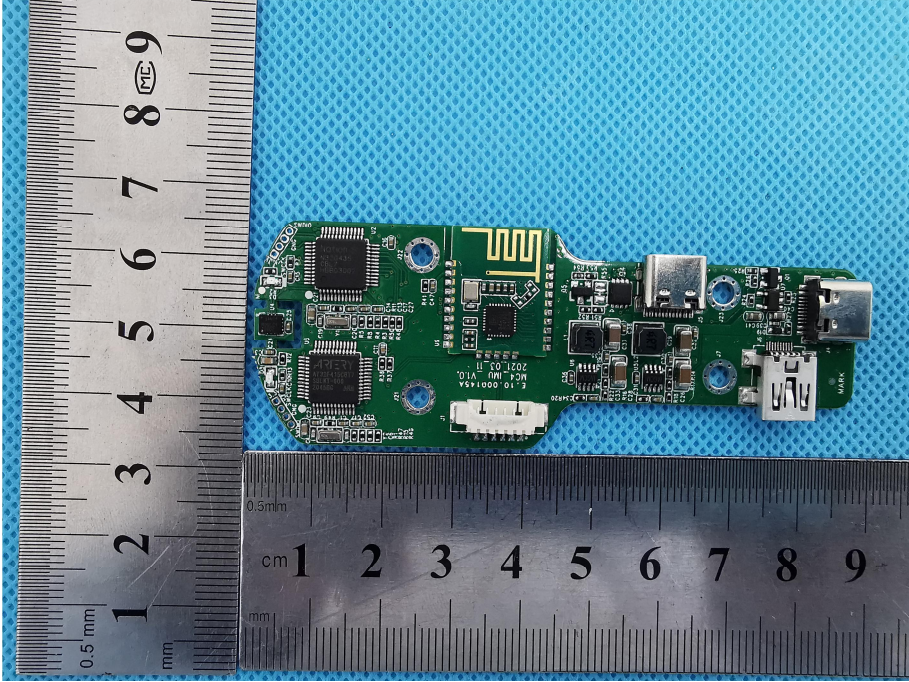

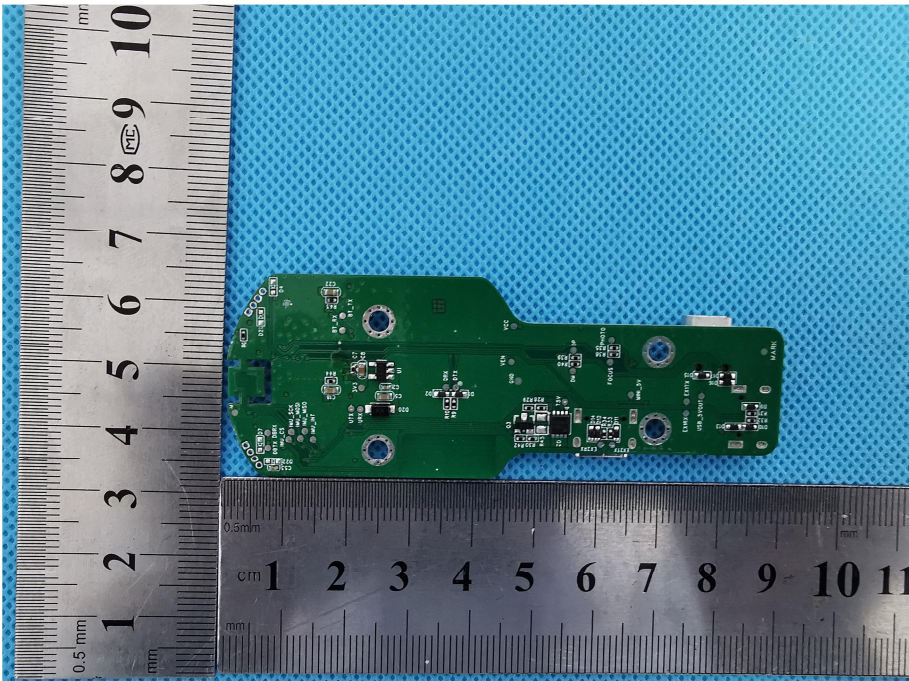

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>EUT Housing and Board View 1</b></p>	 <p>A photograph showing various disassembled components of an Electronic Under Test (EUT) on a blue background. The components include a black plastic housing, a green printed circuit board (PCB) with various electronic components, a blue battery, and several small metal and plastic parts. A ruler is placed vertically on the left side of the components for scale.</p>
<p><b>Solder Board-Component View 1</b></p>	 <p>A close-up photograph of a green PCB component, likely a solder board, on a blue background. The component features various electronic components, including a large integrated circuit (IC) with the part number 711801 B970N 131022. A ruler is placed vertically on the left side of the component for scale.</p>

<p style="text-align: center;"><b>Solder Board-Component View 2</b></p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. The board is positioned on a blue textured surface. To the left of the board is a vertical ruler with markings from 1 to 9 centimeters. Below the board is a horizontal ruler with markings from 1 to 9 centimeters. The board features various electronic components, including a large black integrated circuit (IC) on the left, a gold-colored antenna on the top right, and a USB connector on the right edge. Text on the board includes 'MCA, INC. V1.0', '2021.03.11', and 'E 10 0001434'.</p>
<p style="text-align: center;"><b>Solder Board-Component View 3</b></p>	 <p>A photograph of the same green PCB component, labeled 'Solder Board-Component View 3', showing the reverse side. The board is positioned on a blue textured surface. To the left is a vertical ruler with markings from 1 to 10 centimeters. Below the board is a horizontal ruler with markings from 1 to 11 centimeters. The reverse side of the board shows various components, including a large black IC, several smaller components, and a white connector at the bottom edge. Text on the board includes 'MCA, INC. V1.0', '2021.03.11', and 'E 10 0001434'.</p>
