

Marker Plus Label Information

FCC ID: 2AMK2-RM05CA

IC: 22859-RM05CA

The device is considered to be too small for the on-device label since it is impracticable to label with a font size that is four-points or larger.

The FCC ID is instead placed in the user's manual, and it is also placed on the product packaging.

The IC ID and HVIN are instead placed in the user manual, and the IC ID and HVIN are also placed on the product packaging.

- Safety leaflet information:

FCC Compliance

FCC ID: 2AMK2-RM04CA (Marker)

FCC ID: 2AMK2-RM05CA (Marker Plus)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference,
and (2) this device must accept any interference received, including interference that may cause undesired operation.
