Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p><b>FCC ID: ZAM16KR309</b></p> <p>Federal Communications Commission (FCC) Statement This Equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>- Reorient or relocate the receiving antenna.</li> <li>- Increase the separation between the equipment and receiver.</li> <li>- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>- Consult the dealer or an experienced radio/TV technician for help.</li> </ul> <p>Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user authority to operate the equipment. Tested to comply with FCC standard, FOR HOME OR OFFICE USE.</p> <p><b>Warning:</b> This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This device and its antennas must not be co-located or conjunction with any other antennas or transmitters.</p>

The indicator blinks white when it is charging and flash a solid white light when it is fully charged. Each indicator represents 25% of battery volume.</li> </ol> </li> </ol>	<p><b>Battery information</b></p> <p>Your device is powered by a rechargeable battery. The full performance of a new battery is achieved only after two to three complete charge and discharge cycles. The battery can be charged and discharged hundreds of times, but it will eventually wear out. Do not leave a fully charged battery connected to a charger, overcharging may shorten its lifetime. If left unused, a fully charged battery will lose its charge over time. Never use any charger that is damaged. Leaving the device in hot or cold places will reduce the capacity and lifetime of the battery. Optimal temperature for the battery is between 15°C and 25°C (59° and 77° F). A device with a hot or cold battery may not work temporarily, even when the battery is fully charged. Do not dispose of batteries in a fire as they may explode. Batteries may also explode if damaged. Always dispose of batteries according to local regulations. Please recycle. Do not dispose as household waste.</p>  <p><b>WARNING:</b> Do not dispose of batteries in a fire as they may explode. Batteries may also explode if damaged. Always dispose of batteries according to local regulations. Please recycle. Do not dispose as household waste.</p> <p><b>BATTERY CAUTION:</b> Do not disassemble, short circuit, or expose to fire or high temperature. Properly connect specified devices. Recycle battery according to local, state and national regulations.</p> <p><b>It may damage your hearing if you listen with high volume for a long time. It is recommended you use the lowest volume possible for listening to music.</b></p>	<p><b>LIMITED WARRANTY</b></p> <p>EQ Cases &amp; Accessories, Inc. warrants to the first consumer purchaser that this product, when shipped in its original container to the original purchaser, will be free from defective workmanship and materials for one year and agrees that, well, in its option, either repair the defect and replace the defective product or part thereof at no charge to the purchaser for parts or labor for the time periods described.
