

<p>WIRELESS GEAR® TRUE WIRELESS STEREO EARBUDS</p>  <p>Bluetooth Pairing: Using a pair of earbuds: Step 1: Open the upper cover of the charging box and take out the earbuds, then the earbuds are automatically pairing. Step 2: Either one earbud will flash blue/red once the two earbuds paired with each other successfully. Step 3: The earbuds are now ready to go paired with your Bluetooth device via the Bluetooth menu in your smartphone or another Bluetooth device. Simply open up the Bluetooth function on your phone device and select the pairing name "WIRELESS GEAR" from the list of Bluetooth devices found, pair your earbuds with your phone. Step 4: Listen to music and enjoy it. Single click the left/right earbud to play/pause music, double click the left earbud to play the previous song, double click the right earbud to play the next song. Step 5: Single click any one earbud to answer an incoming call, then single click any one earbud again to end the call. Long press either one earbud for 2 seconds to reject an incoming call. Triple click either one earbud to redial last dialed number. Note: When in a call you can listen from both earbuds but only the master earbud can talk.</p>  <p>USER MANUAL </p>	<p>Device Safety</p> <ul style="list-style-type: none"> Your True Wireless Earbuds have internal rechargeable batteries. Improper usage may result in the Earbuds becoming hot, ignite or burst and cause injury if exposed to flames. Do not disassemble, throw away or damage the True Wireless Earbuds. Store the True Wireless Earbuds in a dry place, keeping them away from flammable materials and environments such as salt air. Keep the True Wireless Earbuds away from direct sunlight, fire and high voltage equipment. Do not store the True Wireless Earbuds inside a car during hot weather.
