USER MANUAL

•YOUR IJOY PRODUCT

Thank you for purchasing and using the "IJOY LUMINA" wireless Bluetooth® speaker. This product can provide a high quality listening experience for your mobile phone, computer and other media devices. Before using this product, carefully read this manual to correctly operate this device. Please ask your local dealer if you have any questions.

IJOY LUMINA Bluetooth® Speaker X1
USB Cable X1
User Manual X1

•BATTERY CAUTION

The battery used in this device may present a risk of fire, explosion or chemical burn if used incorrectly. Never use or charge the battery if it appears to be leaking, discolored, deformed or in any way abnormal. Never disassemble the unit as that could cause leakage of alkaline solution or other electrocific substances. Never expose the battery to any liquid. Never expose the battery to excessive heat such as direct light or fire. Always keep the battery out of the reach of infants and small children.

•BATTERY DISPOSAL

You should follow the disposal instructions listed here. Never dispose of used batteries/electronics with ordinary solid wastes. Always dispose of used batteries/electronics in accordance with the prevailing community regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning batteries/electronics disposal, please dispose of the device in a waste bin for electronic devices. Many electronics retailers now recycle batteries and other electronic components at no charge.

BACK

•SPECS

Bluetooth version: 5.0
Transmission: 10m
Driver: 65mm, 40W
Frequency range: 80Hz-20KHz
Transformer (not included): USB 5V 1A

•INSTRUCTIONS

INSERTING THE BATTERY

- Use a suitable screwdriver and open the bottom side battery compartment. Insert 3 AA alkaline batteries. Close the battery compartment.

POWERING ON/OFF

- Switch on or off the ON/OFF switch on the bottom. You can also use the USB cable to power on the speaker but once you unplug it, it will power off.

PAIRING THE DEVICE

- Make sure the speaker is turned on. Go to the Bluetooth® settings on the device you want to pair the speaker to and connect to "IJOY LUMINA".

Note:

Do not mix old and new batteries.
Do not mix alkaline, standard (carbon-zinc), or rechargeable (ni-cad, ni-mh, etc.) batteries.

Our product is warranted for a limited lifetime warranty from the date of purchase. 1h warranty is provided on all material defects and workmanship. Guarantee of 24 months does not apply to decrease in the effective capacity caused by its use or age. WE RESERVE THE RIGHT TO CHANGE TECHNICAL SPECIFICATIONS. For more information please visit www.gojoy.com

•OTHER IMPORTANT SAFETY INFORMATION

To avoid danger of choking, please keep cables away from babies and children. This product is not a toy. Do not treat this product as household waste. Dispose of this device properly by handing it over to local collection services for recycling of electronic equipment. By ensuring that this product is properly disposed of, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling. For more detailed information about this product, please contact your local household waste disposal service or the shop where you purchased this item.

Keep this product and its accessories away from children under 12. DO NOT open the lantern.

•ACC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

RF warning statement:
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

PLEASE FOLD ON THE GREEN LINES AND PRINT DOUBLE SIDED. DO NOT PRINT GREEN LINES
