Charging contacts

Heart rate sensing area

● You can wear it with no worry as the watch is made of healthy materials that have undergone strict allergy testing. Due to individual skin difference, if you feel skin discomfort when wearing, please stop wearing and consult a doctor.

Packing list: Watch x 1, Charging cable x 1, User manual x 1

02 Charging

Align and fit the charging contacts on back of the watch to the metal contacts of the charging head, wait for the watch screen to display charging power indicator.

Precautions:

1. Please use the charging cable in the package, and dry the charging contacts before charging.
2. Use qualified adapter with output voltage of 5V and output current of 0.5A or above.
3. If the watch cannot power on after being left for a long time, when used again, it need to be pre-charged for about 1 minute to display charging icon.

03 Download and match

Haylou Fun App (hereinafter referred to as App) is a must-have app for using the watch. You can manage your watch and experience more watch functions through the App.

1. Long press the upper button of the watch to turn it on.
2. Scan the QR code on the watch screen with your mobile phone to download the App.
3. You can also scan the QR code below or download and install the App in the app store, iPhone users can also search, download and install the App on the App Store.
4. Open the App, click the device page, and complete the pairing connection according to the interface prompts. Please confirm the Bluetooth name displayed on the phone and the watch are the same when pairing.
5. You can start using the watch after pairing successfully.

Haylou Fun

04 Wear

1. For daily wear, wear the watch about one finger distance from the wrist bone, and adjust the tightness of the strap to a comfortable position.
2. We recommend to tighten the watch strap during exercise and loosen it appropriately after exercise.

Note: Wearing too loosely may affect data collection by the heart rate sensor.

05 Strap assembly and disassembly

If you need to assemble/disassemble the strap, please refer to the diagram.

Note: After assembling the strap, please pull the strap appropriately to ensure that the assembly is successful.

06 More functions

Please scan the QR code or open Use Help in the watch details page in Haylou Fun App on your phone.

FCC Statement:

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try correct the interference by one or more of the following measures:

- **Reorient the receiving antenna.**
- **Increase the separation between the equipment and receiver.**
- **Connect the equipment into and outlet on a circuit different from that to which the receiver is connected.**
- **Consult the dealer or an experienced radio/TV technician for help.**

Changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.
