<p>EUT View 3</p>	 A black plastic component, likely a connector or plug, is shown from a top-down perspective. It has a central rectangular opening and two side flaps that appear to be hinged. The component is placed on a light blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 40 mm.
<p>EUT View 4</p>	 A black plastic component, similar to the one in View 3, is shown from a different perspective. It has a central rectangular opening and two side flaps. The component is placed on a light blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 40 mm.
