WARRANTY TYPE

Home service and carry in warranty are provided.

Home service warranty requires customers to have a technician visit their home and service the product. This type of warranty can be availed by customers living in locations where there is an authorized service center.

Carry-in Warranty service requires that the Product be brought by the Customer, at his/her sole cost and responsibility, to the Authorized Dealers along with the original invoice.

Once the Product is serviced/ repaired/ replaced, the Customer shall be responsible to pick-up the Product from the concerned Authorized Dealer.

CARVAAN UNIT AND Wi-Fi CONNECTIVITY

To enjoy Wi-Fi based stations the Carvaan unit needs to be connected to Wi-Fi. (ensure the Wi-Fi speed is good to enjoy an uninterrupted experience)

SET UP PROCESS:

On Carvaan

- On your Carvaan unit, press the 'Saregama' button, followed by 'Wi-Fi' category button

On your mobile phone

- Turn on the Bluetooth of your mobile phone / handset
- Download the 'Saregama Carvaan' app
- Open the app
- Choose 'Play on Carvaan'
- Next, select Carvaan 2.0 from the list of available devices

- Tap on the menu on the top left of your screen & select 'Connect to Wi-Fi'

- Choose a Wi-Fi network & enter the password; the app will remember your Wi-Fi password

- Your Carvaan unit is now connected to Wi-Fi and you will see on the display screen of the unit

To change the network, go to 'Connect to Wi-Fi' page on the app & select the preferred network.

Note: Wi-Fi charges will be as per your Wi-Fi service provider

SAREGAMA CARVAAN 2.0

USER MANUAL
HINDI | हिन्दी

BUTTONS & PORTS ON SAREGAMA CARVAAN

Full battery charge time: 6-7 hours;
Battery usage: Approximately 5 hours once the battery is fully charged

The battery charging indicator will display:

- Red light when Carvaan is being charged
- Green light when Carvaan is fully charged

To choose a mode, press the corresponding mode button on the unit/ remote

1. SAREGAMA: 5000 pre-loaded evergreen songs categorized into Artistes, Specials, Geetmala & Wi-Fi. This mode is the default mode on first power on/reset

2. USB/ AUX IN: Plug in a USB into the USB port on Carvaan to enjoy your personal collection of songs. You can also connect an Aux cable in the Aux IN port on the back panel of Carvaan to play songs from your phone/tablet. Press the mode button to switch between USB and Aux In

3. FM/AM*: Listen to local FM/AM stations. Press the mode button to switch between FM and AM

FM frequency: 87.5 to 108 MHZ
AM frequency: 520 to 1620 KHZ

Note: We recommend that you do not put the unit on charge while listening to FM/AM as it will interrupt the signal

4. BLUETOOTH:** Pair your mobile phone / tablet with Carvaan. Enjoy songs stored on your personal device on Carvaan speakers

*support for USB 2.0
**AM station will play as per broadcast timings
***support for BT version 4.1

categories

Choose a category in Saregama Mode

1. Artistes: 65+ music stations dedicated to legends like Lata Mangeshkar, Kishore Kumar, Asha Bhosle, Mohd. Rafi, R.D. Burman, Gulzar, Rishi Kapoor, Amitabh Bachchan, Noor Jehan, Mukesh, Nargis, Rekha etc.

2. Specials: 15+ music stations dedicated to Specials like Romance, Ghazal, Gurbani, Bhakti, Kapoor, Sad, Songs with Dialogues, Hindustani Instrumental, Favourites etc.

3. Geetmala: 50 years of Ameen Sayan's Geetmala spanning across 50 music stations

4. Wi-Fi: Many Wi-Fi based stations across genres like devotional, health & wellness, kids, entertainment, and much more. To enjoy Wi-Fi based stations connect Carvaan Gold to a Wi-Fi network using the 'Saregama Carvaan' app.

Go to page 4 for details on how to connect the Carvaan Gold unit to Wi-Fi.

Voltage: 110-240V
Frequency: 50/60 Hz for input and 5V 1A for output

External Antenna:
Insert the antenna into the AUX IN port for improved reception of local FM stations

SAREGAMA CARVAAN APP

Download the 'Saregama Carvaan' app from the Apple / Android store to enjoy a host of free and subscription based services.

Free services - Use the app to find a song, create playlists to playlist on your Carvaan unit.

Note: To use the app, press the 'Saregama mode' button on Carvaan. Connect the app & Carvaan using Bluetooth on your phone/tablet.

Subscription services - Subscribe to the app and listen to the songs on your phone/tablet without being connected to the Carvaan unit

Refer to the enclosed insert for steps on how to connect the app and Carvaan unit.

Choose your preferred category in Saregama mode

To replace the remote control battery:

- Open the battery compartment
- Insert a fresh CR2025 battery with the correct polarity (-/+)
- Close the battery compartment
- Discard the used battery

SAFETY HANDLING

1. CARE FOR PRODUCT

- Keep Carvaan away from dust and excessive heat (heat registers, stoves etc.)
- Prevent spillage of water or any other liquid as this can cause failure of Carvaan or could prove to be a potential fire hazard
- Clean the unit with a dry cloth only
- Do not walk on or pinch the power cord close to the plug
- Do not immerse Carvaan or the remote into water
- Remove the remote battery when it is not used for longer duration
- Do not mix different brands or types of batteries in the remote

2. CARE FOR BATTERY

- Do not expose the battery to heat sources greater than 60°C
- Recycle or dispose the battery when essential. Please ensure proper battery handling and disposal methods

c. Do not subject the battery pack to a mechanical shock

d. In the event of a battery leak, do not allow the liquid to come in contact with the skin or eyes. If contact has been made, wash the affected area with water and seek medical advice

e. For prolonging battery life, avoid discharging the battery completely

3. OTHERS

- Use attachments/accessories as specified by the manufacturer
- Please contact an authorized service center for any repair/ servicing requirements or call the toll free no. 1800-102-7799 for any queries

Waste electrical products should not be disposed of with household waste. Please follow disposal and recycling instructions issued by the concerned local authority.

IC WARNING

This device contains licence-exempt transmitter(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- This device may not cause interference.
- This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- L'appareil ne doit pas produire de brouillage;
- L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment meets the exemption from the routine evaluation limits in section 2.5 of RSS-102. It should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with the FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.
