- 2, open the phone Bluetooth function, search for Bluetooth devices, to be found on the phone "T55" Bluetooth device, click on the matching success, the speaker tips Bluetooth has been paired successfully".
- 3, open the mobile phone music player, began to play music.
- 4, mobile devices have been paired successfully, after the opening speaker automatically connected bluetooth.

Fifth, Hands-Free Calls

Bluetooth audio and mobile phone connection status, call intelligent voice prompts, short press " "to answer, short press again to " "end calls; long press " " to reject the calls.

Sixth, The Use Of Charging Method

Plug the USB power cord at one end of the machine into the "DC5V" interface, the other end of the USB plug into the 500mA 5V or 1A charger for charging. The machine built-in overcharge protection circuit for about 4~6 hours can be filled with a battery; charging support in the off state, if the machine is not used for a long time, charging at least once every two months, lengthen battery's life.

Seventh, Technical Parameters

Bluetooth Version	3.0
Tf Card Audio Format	MP3、WMA、APE、WAV、FLAC
Output Frequency	4.5W
Frequency Response	120Hz~20KHz
Operating Range	≤10M
Power Supply	Built in Li ion battery 3.7V (900mAh)

Input	DC 5V 500mA
Continuous Music Playback Time	About 10 hours;about 4 hours in max volume
Charging Time	About 3-5 Hours
Product Size	89×74. 5×48. 5mm
Working Temp.	-5-40℃

Eighth,Common Problems And Solution

Sound Small Or Distortion	1, check the sound volume, adjust the volume to the appropriate location. 2, battery power is low, please charge.
Music staccato	1, confirm if you are in the effective distance of sound. 2, audio and Bluetooth devices have obstacles
Multiple connection is not successful	1, to detect whether the phone is in the state of search, or re boot. 2, delete the original device name of the phone, to re search the connection.
Bluetooth status indicator does not light	1, the battery power is insufficient, please full power try. 2, restart

Ninth,packing list

1 Bluetooth speaker 1PCS

2 The use manual 1PCS

3 USB power cord 1PCS

FOR SAFETY AND USE

1, please in the room temperature environment and the use of this product storage.

2, please do not use this product in the rain or damp.

3, do not disassemble, repair and transformation of the products.

4, do not throw away, to avoid falling damage caused by products.

5, the product built-in lithium battery, do not arbitrarily discarded or placed in the fire, so as not to cause danger.

- if there is a violation of the warning and improper use of personal and property damage caused by the bear all the consequences, the company will not bear any legal responsibility.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the

FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
