

WARRANTY

LIMITED WARRANTY (UNITED STATES AND CANADA ONLY)

ONANOFF LTD., ("ONANOFF") extends this Limited Warranty in the United States and Canada to the original end-user purchaser of ONANOFF wireless products, including wireless speakers and headphones ("Products"), provided that the Product was purchased from an Authorized Dealer as defined below. You must provide proof of identifies the ONANOFF product model and the purchase price paid to qualify for this Limited Warranty. The Limited Warranty does not extend to any other person or transferee. Statutory or common law may provide additional rights or remedies that vary from state to state, country to country, which are not affected by this Limited Warranty.

DEFINITIONS

"Authorized Dealer" means any distributor, reseller or retailer in the United States or Canada that was duly authorized by ONANOFF at the time of the sale to sell your Product in jurisdiction where it was sold, as shown on its original packaging.

"Fraud or Misrepresentation" means misrepresenting any fact related to a warranty claim to ONANOFF, including the nature of the defect, whether the Product was purchased from an Authorized Dealer, and the authenticity ** of the Product. Any representation of a claimed Manufacturing Defect that was known to be caused completely or partially by (a) any user other than Intended Use, (b) transportation, neglect, misuse or abuse by anyone other than ONANOFF's employees, (c) alteration, tampering or modification of the Product, or (d) an accident that caused a malfunction that would otherwise qualify as a Manufacturing Defect, (e) maintenance or service of the Product by anyone other than ONANOFF employee or agent, (f) exposure of the Product to extreme heat, bright light, sun, partial or complete submersion in liquids, sand or other contaminants, or (g) acts outside the control of ONANOFF, including without limitation acts of God, fire, storms, earthquake or flood, is considered fraud.

"Manufacturing Defect" means a defect that causes the Product to depart from its intended design and specifications). **"Intended Use"** means use of the Product (a) within a home or dwelling, (b) for private (as opposed to commercial) purposes, (c) in conformity with all applicable local, state or federal law, code or regulation (including without limitation building and/or electrical codes), (d) in accordance with ONANOFF recommendations and/or instructions in the manual, and documentation that accompany the Product, and (e) if applicable, with proper electrical grounding.

SCOPE OF LIMITED WARRANTY ONANOFF provides a Limited Warranty against Manufacturing Defects for all authentic ONANOFF Products for a period of one-year from the date of purchase. If a Product contains a Manufacturing Defect when it was purchased from an Authorized Dealer, ONANOFF, at its sole discretion, will (i) repair, (ii) replace with new or refurbished product, or (iii) refund the purchase price of the Product paid to the Authorized Dealer, but in no event shall the amount exceed ONANOFF's manufacturer's suggested retail price ("MSRP"). ONANOFF reserves the right to inspect any Product subject to a warranty claim to determine, at its sole discretion, whether the claimed defect is Manufacturing Defect or otherwise. For all defects that are not Manufacturing Defects, ONANOFF will provide an Aggressive Lifetime Credit in the amount of fifty percent (50%) of the purchase price of the Product. ONANOFF regularly changes the models, colors, ways, and style of its Products and cannot guarantee the availability of an exact replacement for any Product. **ONANOFF DOES NOT ASSUME ANY LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES UNDER THIS LIMITED WARRANTY.**

TERMS AND CONDITIONS

By submitting this request, you agree to the following Terms and Conditions: **-** In case of Fraud or Misrepresentation, ONANOFF reserves the right to deny all warranty coverage or claims. **-** Risk of Loss: ONANOFF is not responsible for any Product that is lost in shipping and not actually received by ONANOFF. To avoid unnecessary delays and minimize the possibility of a lost Product, we strongly suggest that you use the return label provided to you by ONANOFF's online warranty system to send your Product to ONANOFF. No warranty will be provided if you do not actually receive the Product. **-** ONANOFF reserves the right to determine, at its sole discretion, whether a defect is a manufacturing defect and what type of credit or replacement shall be issued, if any. **-** All warranty Products sent to ONANOFF will not be returned to you for any reason. Defective Products may be subject to engineering analysis and recycling, as part of our ongoing product improvement efforts. **-** All Products returned to ONANOFF for warranty purpose and determined by ONANOFF to be a Manufacturing Defect will be returned to you without charge.

Many electrical items can be repaired or recycled, saving natural resources and the environment. If you do not recycle, electrical equipment will end up in landfill where hazardous substances will leak out and cause soil and water contamination – harming wildlife and also human health. To remind you that old electrical equipment can be recycled, it is now marked with a crossed out wheeled bin symbol. Please do not throw any electrical equipment (including those marked with the crossed out wheeled bin symbol) in your bin.

Many Local Authorities will have containers that collect batteries for recycling. Public buildings and your workplace may also have containers. If you do not recycle, batteries will end up in landfill where hazardous substances will leak out and cause soil and water contamination – harming wildlife and also human health. Batteries containing hazard materials such as mercury (Hg), cadmium (Cd) or lead (Pb) are marked with their chemical symbols as well. This symbol means that according to local laws and regulations the battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities or return to purchase location for recycling or disposal.

Warning! To avoid hearing damage, do not listen at high volume levels.

Warning! Do not connect the equipment to a supply or to a power source of which output shall comply with PS1 (withoutput capacity less than 15W).

FR ONANOFF s'engage à fournir un excellent service à sa clientèle. Si vous avez des questions ou des préoccupations concernant votre produit ONANOFF, veuillez nous contacter à l'adresse info@onanoff.com. De nombreux appareils électriques peuvent être réparés ou recyclés, cela permet d'économiser les ressources naturelles et l'environnement. Si vous ne recyclez pas les équipements électriques, ils finiront dans des décharges où les substances dangereuses s'écouleront et provoqueront une contamination du sol et de l'eau: cela peut nuire à la faune et à la santé humaine. Pour vous rappeler qu'un équipement électrique usagé peut être recyclé, un symbole contenant une poubelle à roulettes figure désormais sur chaque appareil. Ne jetez aucun équipement électrique (y compris ceux marqués d'une poubelle à roulettes barrée) dans vos poubelles.

De nombreuses autorités locales disposent de conteneurs visant à collecter les piles et batteries en vue de les recycler. Les bâtiments publics et votre lieu de travail peuvent également contenir de tels conteneurs. Si vous ne recyclez pas, les batteries seront déposées dans une décharge où des substances dangereuses s'écouleront et provoqueront une contamination du sol et de l'eau: cela peut nuire à la faune et à la santé humaine. Les batteries contenant des matières dangereuses telles que le mercure (Hg), le cadmium (Cd) ou le plomb (Pb) sont marquées de leurs symboles chimiques. Ce symbole signifie que les batteries doivent être mises au rebut séparément du reste des ordures ménagères, conformément aux lois et règlements locaux. Lorsque ce produit atteint sa fin de vie, déposez-le dans un point de collecte désigné par les autorités locales ou retournez-le à votre revendeur pour recyclage ou élimination appropriée.

Attention! Afin d'éviter d'endommager vos oreilles, n'écoutez pas à un volume élevé pendant une période prolongée. **Attention!** Ne connectez pas l'équipement à une source d'alimentation externe dont la sortie doit être conforme à PS1 (avec une capacité de sortie inférieure à 15W).
