

Request for Class II Permissive Change

FCC ID: 2AN20- TSW03

Data: 10.05.2022

TO: Federal Communication Commission

Please be notified that we, the undersigned, **Beijing Roborock Technology Co., Ltd.** declare our product original certified at 06/10/2021, and have the reasons for this Class II permissive change are as below:

1. Request approval for change the PCBA and configuration of vacuum cleaner (Model: roborock S7).
2. The difference as below:
 - changes on PCBA, including an alternative MCU, alternative LDO on carpet detection circuit and corresponding layout change, different MOS footprint on battery charging circuit and corresponding layout change, which don't affect RF circuit
 - alternative Dust Collection appearance, which doesn't affect RF circuit;
 - Adding another alternative battery (Dongguan Poweramp Technology Limited) & Docking station (Beijing Roborock Technology Co., Ltd.)

Since the differences, only the Conducted Emission and Radiated Spurious Emission were performed. For other tests, please refer to the original report 2104RSU072-U1.

Thank you.
Sincerely,

Qianqian Hu
