

Model: S6BH-1

In the box

Installing the battery

The battery for the remote control (1 CR2025 Lithium Battery) is included. To replace the battery, push and slide out the battery door on the remote control. Replace the battery with a new CR2025 battery with the positive (+) polarity facing up. Slide the battery door back in to the remote control.

NOTE: The remote control is packaged with a plastic protection tab. Before operating the remote, gently pull the protective tab extending out of the remote control's battery door.
