

HUBSAN[®]
Product Name: Hubsan HT016P Transmitter
Model No.: HT016P
Battery: 3.7 V 2600 mAh Li-Po
Input: --- 5V.1A
FCC ID: 2AN75-HT016PTX
This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference
received, including interference that may cause
undesired operation.
Made in China
