

Name: IO-Power

Address: 1F., No.100, Jinzhu Rd., North Dist., Hsinchu City 30055, Taiwan

State: Hsinchu City 30055

Country: Taiwan (R.O.C.)

Declare Model difference as list:

Model Name	Differences
EL-N-1	Software to turn on single WiFi radio to support one access point. Advanced multicast / broadcast processing feature to support IP based surveillance application.
EL-N-2	Software to turn on dual WiFi radios to support two access points. Advanced multicast / broadcast processing feature to support IP based surveillance application.
EL-N-3	Software to turn on triple WiFi radios to support three access points. Advanced multicast / broadcast processing feature to support IP based surveillance application.
ML-N-1	Software to turn on single WiFi radio to support one access point.
ML-N-2	Software to turn on dual WiFi radios to support two access points.
ML-N-3	Software to turn on triple WiFi radios to support three access points.

Product description: Outdoor 5G MIMO-OFDM Radio

Type designation: EL-N-1, EL-N-2, EL-N-3, ML-N-1, ML-N-2, ML-N-3

Trademark: IO-Power  
Name: Jacky Cheng  
20170911

Signature:

The image shows a handwritten signature in black ink that reads "Jacky Cheng". To the left of the signature are two red square seals. The larger seal on the left contains stylized Chinese characters in seal script. The smaller seal to its right also contains Chinese characters. The entire signature and seal area is set against a light, textured background.
