

17 September 2019

UniKey Technologies, Inc.
111 W Jefferson St Suite 100
Orlando, FL 32801, USA

Dear Sir or Madam,

We, Amesbury Truth, hereby declare the RPU2 was designed and developed by UniKey Technologies, Inc. Therefore, we grant UniKey Technologies permission to obtain their own FCC Certification for the RPU2. Amesbury Truth has the original FCC ID: 2APE7-RPU2 which was originally granted on 8/22/2019 with the IC Certification: 23786-RPU2. UniKey Technologies is permitted to use these test results and user guide to obtain their FCC Certification, since the supplied product does not differ from the product they are filing for.

Company FCC Agent

A handwritten signature in black ink, appearing to read 'BD', with a long horizontal line extending to the right.
