Blue light flashes quickly: the speaker is ready to be paired
Blue light flashes slowly: the speaker is paired
Wireless dual stereo indicator

Turn on the power & turn off the power
Turn on the power: press and hold the power button for 2 seconds
Turn off the power: press and hold the power button for 2 seconds

Note: If your device is not playing music nor is connected, the speaker will not be turned off.
Close the waterproof rubber cover before you put the speaker into water to provide water resistance.

Connect a non-Bluetooth audio device with the 3.5mm cable
Make sure your AOMAIS SPORT II MINI battery has enough power and turn on the Bluetooth speaker.
Plug one end of the cable into your device's headphone jack and the Bluetooth light will turn red. Insert the other end into AOMAIS SPORT II MINI.
Turn on your AOMAIS SPORT II MINI Bluetooth speaker and you can start playing music.

Note: When the audio cable is plugged into the speaker, the Bluetooth function will not be available.

AOMAIS wireless stereo pairing
1. You can purchase two AOMAIS SPORT II MINI so you can connect them together and enjoy left and right channels stereo sound. (20W).
2. To achieve the best result, place the speaker on an open floor to reduce the middle barrier.
3. Turn on both speakers, when the blue light starts to flash, the speakers start to connect.
4. Press and hold the Bluetooth button of one of the speakers until you hear a beep, then you will hear the sound of "Ding Ding Ding", indicating the two speakers are paired successfully.
5. Open your device and search for 'AOMAIS SPORT II MINI'. It will automatically connect one of the speakers. When the pairing is completed, only one speaker can control the volume, then you can start playing music. (That speaker is called Play Control Speaker)

5. Open your device and search for 'AOMAIS SPORT II MINI'. It will automatically connect one of the speakers. When the pairing is completed, only one speaker can control the volume, then you can start playing music. (That speaker is called Play Control Speaker)

Note: To pair two speakers, please make sure that the two speakers are not connected to other devices via Bluetooth. If one of them is connected, they will not be able to make a pairing connection (recommendation: don't turn on your phone's Bluetooth function before the pairing is successful)

Wireless hands-free private speakerphone
Hands-free functions are only available for Bluetooth-enabled smartphones.

Pairing & Connections - Step 1
Please make sure your AOMAIS SPORT II MINI has enough battery power and it cannot be connected when the battery is too low.
Open your AOMAIS SPORT II MINI to prepare for pairing. Turn on your device's Bluetooth and search for AOMAIS SPORT II MINI and make connection, then you can play music.
2. When the AOMAIS SPORT II MINI is turned on, it will automatically try to connect to the last device used. Note: When you are pairing different devices, disconnect the existing device.

Pairing & Connections - Step 2
For your iPhone, iPad, iPod, smart phone
Select 'Settings > Bluetooth, turn on Bluetooth, select "AOMAIS SPORT II MINI", then the speaker will be connected within a few seconds and the blue light will flash slowly.
2. You can now play your music with AOMAIS SPORT II MINI.

Pairing & Connections - Step 2
For your Amazon Echo Dot.
1. Connect to Echo Dot/Echo for the first time, please open the Alexa App on your device and use it to pair and connect.
2. Select "Home" in the upper left corner of the interface, then click "Setting".
3. Select your Echo Dot/Echo in the device list. Click "Bluetooth".
4. When "AOMAIS SPORT II MINI" appears in your device options, Alexa will prompt "Connect to AOMAIS SPORT II MINI".
5. The next time you connect, just say "Alexa, connect my speaker" or "Alexa, Pair" and the speaker will be connected automatically.
6. When you want to disconnect the speaker, say "Alexa, Disconnect my speaker".
7. When you want to reconnect the speaker and play it again, you need to say "Alexa, connect my speaker" or "Alexa, Pair". If you want to turn off AOMAIS SPORT II MINI, press and hold the power button for 2 seconds.
8. If you would like to get help about Alexa App, please contact Amazon's Customer Service, or open the Alexa App and select help/feedback>Email Customer Service

Important: When the AOMAIS SPORT II MINI is connected to Echo Dot/Echo for playback, the speaker will remain on and will not automatically turn off.

Safety Precautions:
1. Do not charge at the water source or in the rain to prevent electric shock.
2. Please follow the instructions for all operations and use.
3. Do not damage the cable, especially at the connector, to avoid short circuit.
4. Unplug the USB charging cable when it is not in use or during a thunderstorm.
5. Please keep the speaker away from heat sources(including all equipment that generates heat), such as stoves.
6. When the speaker is damaged, please contact AOMAIS Customer Service Team.
7. Do not disassemble the speaker.
8. Use officially certified speakers such as UL, CSA, VDE, CCC)

Note: If the battery leaks, do not touch skin or eyes. If you touched, please consult your doctor.

This equipment has been approved by FCC, CE, RoHS. These restrictions are designed to prevent harmful interference when the equipment is installed in a residential place.

AOMAIS is committed to providing services of the highest quality to our customers.

Note: If your device is not playing music nor is connected, the speaker will not be turned off.

Close the waterproof rubber cover before you put the speaker into water to provide water resistance.

Connect a non-Bluetooth audio device with the 3.5mm cable
Make sure your AOMAIS SPORT II MINI battery has enough power and turn on the Bluetooth speaker.
Plug one end of the cable into your device's headphone jack and the Bluetooth light will turn red. Insert the other end into AOMAIS SPORT II MINI.
Turn on your AOMAIS SPORT II MINI Bluetooth speaker and you can start playing music.

Note: When the audio cable is plugged into the speaker, the Bluetooth function will not be available.

Kabellose Freisprechanlage Freisprecheinrichtung
Freisprechanlage ist nur für mit Bluetooth versehene Smartphones verfügbar
Beantworten / Telefonanschluss / Ablehnung
Das Telefon wird beantwortet, wenn Sie die Taste Play / Pause / call track drücken.
Das Telefon wird abgelehnt, wenn Sie die Taste Play / Pause / call lange drücken.
Nachdem AOMAIS SPORT II MINI erfolgreich verpaart worden ist, wird die Antwort nur über das Hauptstereoaudio übertragen. (Es wird Play Control Speakers genannt)

Wireless hands-free private speakerphone
Hands-free functions are only available for Bluetooth-enabled smartphones.

Pairing & Connections - Schritt 1
Bitte stellen Sie sicher, dass die Batterie von Ihrem AOMAIS SPORT II MINI voll genügend aufgeladen wird. Sie kann nicht angeschlossen werden, wenn die Batterie zu schwach ist. Schalten Sie Ihren AOMAIS SPORT II MINI ein, um auf die Verpaarung vorzubereiten
1. Schalten Sie "Bluetooth" von Ihrem Gerät ein und suchen Sie nach "AOMAIS SPORT II MINI". Dann verbinden Sie und können Sie die Musik abspielen.
2. Wenn der AOMAIS SPORT II MINI eingeschaltet ist, versucht er automatisch, das letzte Gerät anzuschließen.

Pairing & Connections - Schritt 2
Für Ihr iPhone, iPad, iPod, Smartphone
Wählen Sie "Einstellungen > Bluetooth", aktivieren Sie Bluetooth, wählen Sie "AOMAIS SPORT II MINI", dann wird der Lautsprecher innerhalb weniger Sekunden automatisch verbunden.
2. Wenn Sie AOMAIS SPORT II MINI anschließen, sagt Ihnen Alexa: "Alexa, schalte meine Lautsprecher ein". Wenn Sie die Lautsprecher anschließen möchten, sagen Sie "Alexa, schalte meine Lautsprecher ein". Wenn Sie sie trennen möchten, sagen Sie "Alexa, trenne meine Lautsprecher".
3. Wenn Sie sie wieder verbinden möchten, sagen Sie "Alexa, schalte meine Lautsprecher ein".
4. Wenn Sie sie trennen möchten, sagen Sie "Alexa, trenne meine Lautsprecher".
5. Wenn Sie sie wieder verbinden möchten, sagen Sie "Alexa, schalte meine Lautsprecher ein".
6. Wenn Sie den Lautsprecher trennen möchten, sagen Sie "Alexa, trenne meine Lautsprecher".
7. Wenn Sie den Lautsprecher wieder verbinden möchten, sagen Sie "Alexa, schalte meine Lautsprecher ein".
8. Wenn Sie die Hilfe von Alexa App erhalten möchten, wenden Sie sich bitte an den Kundenservice von Amazon (Amazon's Customer Service), oder öffnen Sie die Alexa App und wählen Sie help/feedback>Email Customer Service

Wichtige Hinweise: Wenn der AOMAIS SPORT II MINI mit Echo Dot / Echo verbunden ist, bleibt die Stereoaanlage eingeschaltet und wird nicht automatisch ausgeschaltet.

Sicherheitshinweise:
1. Laden Sie das Gerät nicht an der Wasserkante oder beim regen auf, um einen elektrischen Schlag zu vermeiden.
2. Bitte folgen Sie der Gebrauchsanweisung für alle Bedingungen.
3. Beschädigen Sie das Kabel nicht, insbesondere das Kabel am Stecker.
4. Ziehen Sie das USB-Kabel während eines Wetters ab.
5. Platzieren Sie die Stereoaanlage nicht in der Nähe von Wärmequellen wie Öfen (einschließlich aller Geräte, die Wärme erzeugen).
6. Wenn die Stereoaanlage beschädigt wird, kontaktieren Sie den Kundendienst von AOMAIS.
7. Zerlegen Sie die Stereoaanlage nicht.
8. Verwenden Sie offiziell zertifizierte Stereoaanlage wie z.B.UL, CSA, VDE, CCC

Hinweise: Wenn die Batterie ausläuft, berühren Sie die Haut oder die Augen nicht. Wenn Sie den Kontakt damit haben, wenden Sie sich bitte an den Arzt.

Dieses Gerät wurde von FCC, CE, RoHS zertifiziert. Diese Einschränkungen sollen schädliche Interferenzen bei der Installation in einer Wohnanlage verhindern.

AOMAIS ist bestrebt, Kunden den bestmöglichen Service zu bieten.

7. Do not disassemble the speaker.
8. Use officially certified speakers such as UL, CSA, VDE, CCC)

Note: If the battery leaks, do not touch skin or eyes. If you touched, please consult your doctor.

This equipment has been approved by FCC, CE, RoHS. These restrictions are designed to prevent harmful interference when the equipment is installed in a residential place.

AOMAIS is committed to providing services of the highest quality to our customers.

Note: If your device is not playing music nor is connected, the speaker will not be turned off.

Close the waterproof rubber cover before you put the speaker into water to provide water resistance.

Connect a non-Bluetooth audio device with the 3.5mm cable
Make sure your AOMAIS SPORT II MINI battery has enough power and turn on the Bluetooth speaker.
Plug one end of the cable into your device's headphone jack and the Bluetooth light will turn red. Insert the other end into AOMAIS SPORT II MINI.
Turn on your AOMAIS SPORT II MINI Bluetooth speaker and you can start playing music.

Note: When the audio cable is plugged into the speaker, the Bluetooth function will not be available.

AOMAIS wireless stereo pairing
1. You can purchase two AOMAIS SPORT II MINI so you can connect them together and enjoy left and right channels stereo sound. (20W).
2. To achieve the best result, place the speaker on an open floor to reduce the middle barrier.
3. Turn on both speakers, when the blue light starts to flash, the speakers start to connect.
4. Press and hold the Bluetooth button of one of the speakers until you hear a beep, then you will hear the sound of "Ding Ding Ding", indicating the two speakers are paired successfully.
5. Open your device and search for 'AOMAIS SPORT II MINI'. It will automatically connect one of the speakers. When the pairing is completed, only one speaker can control the volume, then you can start playing music. (That speaker is called Play Control Speaker)

FCC Caution.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

* RF warning for Portable device: The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
