Confidentiality Request regarding application for 2ANPE-GS9000

LONG TERM CONFIDENTIALITY

Pursuant to 47 CFR Section 0.459 and 0.457 of the commission's rules, the applicant hereby request confidential treatment of the documents listed below, associated with the certification application referenced above.

- Block Diagrams
- Schematics
- Operational Descriptions
- Internal Photos

The documents above contain proprietary information not released to the public. Public disclosure of this information may prove harmful to the business of the applicant.

Control of Internal Photos and User's Manual Information:

We have implemented stringent internal controls to prevent the public disclosure of internal photos. Access to such materials is restricted to authorized personnel only, and comprehensive security measures are in place to ensure confidentiality.

Restriction of Public Access for Products Serviceable by Professional Technicians:

Our products, serviceable by professional designated technicians, are designed with restricted public access. We employ robust measures to ensure that only qualified professionals can access and service these products.

Declaration of Non-Disclosure without an NDA:

We confirm that, while we will not provide an NDA, we are committed to not disclosing any information to external parties. Our internal policies and practices ensure that confidentiality is maintained without the necessity of a formal agreement.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Yerage", with a long horizontal flourish extending to the right.
